Orion successfully implements 300 seat document management system at **Leitner, Williams, Dooley & Napolitan, PLLC**

August 21, 2008

For Immediate Release:

Expanding on what firms consider to be one of the best fully integrated financial and practice management systems in the industry, Orion is now moving forward with providing law firms with another essential tool: document management.

With over **300 users spanning 5 locations** throughout Tennessee and North Georgia, Orion successfully implemented one of the industries best document management systems WORLDOX GX by WorldDox.

When asked, William Tomlinson, MIS Director for **Leitner, Williams, Dooley & Napolitan, PLLC**, said that he was "very pleased at the quality of Orion's implementation plan and execution. Document management is critical for our firm. Orion executed the implementation working closely with WORLDOX and completed this complex installation on time and on budget."
