

Feirich/Mager/Green/Ryan selects Orion

Southern Illinois firm upgrades its financial management software.

Atlanta, GA – August 4, 2005 – Orion Law Management Systems, Inc. today announced that Feirich/Mager/Green/Ryan (FMGR) has selected Orion to replace the firm's legacy time, billing and accounting software. The firm selected Orion after a thorough evaluation of products available to them.

Based in Carbondale, Illinois, FMGR serves the needs of the corporate clients throughout Southern Illinois, Southeast Missouri, and Western Kentucky. The 14-attorney firm is the largest law firm in the tri-state region.

"We welcome FMGR to Orion," said Paul G. Yelton, President of Orion Law Management Systems, Inc. "Their selection is further evidence that Orion's financial and practice management software is scalable and affordable for firms with 20 to 200 timekeepers."
