

Ferrell selects Orion

Integrated Financial and Practice Management cited for decision.

Atlanta, GA – September 1, 2005 – Orion Law Management Systems, Inc. announced today that Orion’s Financial and Practice Management software has been chosen by Miami-based Ferrell. With attorneys and consultants in North America and South America, Ferrell’s four divisions including Law, Investigations & Security, Consulting, and Communications, sought an integrated system to replace its time, billing and accounting software.

“A powerful CRM application is critical to the continued growth of our businesses and Orion’s integrated CRM will help us monitor clients, contacts, and business referrals. The firm will have the tools we need to make informed business decisions.” said Milton M. Ferrell, Jr., President of Ferrell Law, A Professional Association.

“We are honored that Ferrell selected Orion,” said Paul G. Yelton, President of Orion Law Management Systems, Inc. “Ferrell placed a high priority on well-integrated law firm management software for their multi-national and multi-disciplinary business.”
